A. Co-Op

1. MMSP 11-0 Change co-op policy to state that schools must request to co-op one meeting before that specific sports season, except softball.
2. GUIDELINES FOR CO-OP --- need to vote on and get in the Handbook at our April meeting
  - a. A school wishing to co-op with another school must inform the league at least one meeting before that specific sports season, except for softball.
  - b. Schools wishing to co-op must have already received approval from their school board and principals.
  - c. Schools applying to co-op must be doing so because the school does not have enough 6<sup>th</sup>, 7<sup>th</sup>, and 8th graders enrolled to form an A-team in LALSAC sports. (This means the school does not have enough students, not dealing with *interest level* of the students.)
  - d. Schools applying to co-op must select the closest school in proximity to their school and work outwards in succession until permission is granted.
  - e. Once co-opping has occurred, that school is required to continue to select the same school to continue to co-op with – assuming all of the above conditions have been met.
  - f. All co-opping decisions must be approved on a per case basis one meeting before the sports season, except for softball.
